**NOTE:** The purpose of a response letter is NOT to reduce your tax liability or violate any law, but to lawfully assert and defend your constitutional rights, expose violations of law by the government, and to petition the government for a redress of grievances as authorized by the First Amendment to the United States Constitution. Our response letters are only available to those who are "[nontaxpayers](#)", which we define as private human beings and not statutory "[persons](#)" who are NOT subject to Internal Revenue Code Subtitle A, and who consent unconditionally to and comply fully with our [SEDM Fellowship Member Agreement](#). Since our items are not available to statutory "[taxpayers](#)", then it is impossible and irrational to describe them as "[tax shelters](#)" or to reduce the liability of those who might read them or unlawfully interfere with the proper or lawful administration of the tax codes by using them. None of the materials available on this website are authorized to be used to accomplish any commercial purpose that might subject us to government regulation. See our [Response Letter Frequently Asked Questions, #22](#) for details. The content of this page and everything available through it are covered by our [Disclaimer](#).
